To the
Members and Guests
of the
GDMB Lead Expert Committee

Clausthal-Zellerfeld, August 25, 2021

**GDMB Lead Expert Committee
new Save the Date November 17 – 19, 2021**

Dear Members and Guests,
the meeting of the Lead Expert Committee will take place from

**November, 17 – 19, 2021
in Beerse (Belgium) on friendly invitation of Campine.**

At the moment we are planning to hold the GDMB 2021 lead committee meeting as usual, but in view of the development of the corona crisis and possible travel restrictions, we may alternatively organize a video conference if we cannot meet in person in Belgium. Unfortunately, we would not have the plant visit then. In this context, we are already asking for your assessment as to whether you would attend a face-to-face event from today's perspective.

Call for Papers

This letter should also serve as a "Call for Papers". You can polish the program with your contribution, which would be highly appreciated. So, do not hesitate to suggest a title and a presenter. A bottle of wine will be yours. Suggestions can be made informally to the GDMB office (fa-blei@gdmd.de).

Best Regards
