

To the members and guests
of the Zinc Expert Committee

Clausthal-Zellerfeld, 23. April, 2021

69th Zinc Experts Meeting

Dear Members and Guests,
the 69th Zinc Experts Meeting, will take place from

25 – 26 November 2021

in Balen (Belgium). We thank Nyrstar for its kind support in organizing and for offering a plant tour.

Should it not be possible to hold a face-to-face meeting due to Covid related restrictions, we are planning for a virtual meeting instead thus maintaining the technical and scientific network. We will inform you as soon as possible in which format the conference will take place.

In this context, we are already asking for your assessment as to whether you would attend a face-to-face event from today's perspective.

Call for Papers

This announcement also serves as a call for presentations which are highly welcome. This year we will focus on:

- Zinc recycling – increasing zinc's circularity,
- SHG zinc production – innovations in plant practice,
- Carbon footprint – reducing the carbon footprint of zinc primary and secondary production,
- Zinc-steel and zinc-copper loops

Please send the proposals with title of the paper and a short abstract to the GDMB-Office (fa-zink@gdmb.de) before 20th June 2021.

We are looking forward to your reply.

With best regards

Dr.-Ing. Sabina Grund
Leader of the Zinc Expert Committee

Dipl.-Ing. Andreas Krüger
Managing Director of GDMB

Präsidium:
Prof. Dr.-Ing. Michael Stelter, Präsident
Prof. Dr.-Ing. Hans Jacobi
